# Ensure a reliable connection

## with this S-Video to Stereo Audio Cable

Depend on this connection for transferring video signals between your components.

**Enjoy good picture quality**
• Crafted with quality construction

**Enjoy good audio quality**
• Nickel-plated connectors for reliable contact

**Protects against signal loss**
• Bare copper shielding

**Easy installation**
• Color coded connectors for instant recognition
• Non-slip ergonomic grip for easy use
• Plug and play for easy use

**Enjoy extended durability**
• Molded plug for secure connections
• Flexible PVC jacket
• Rubber strain relief

**PHILIPS**

sense and simplicity

S-video/stereo audio cable
1,5 m

## Specifications

### Outer Carton
- EAN/UPC/GTIN: 10026616023643
- Quantity: 4
- Gross weight: .134 kg
- Tare weight: .30 kg
- Net weight: 1.04 kg
- Length: 230 mm
- Width: 155 mm
- Height: 180 mm

### Dimensions
- Gross weight: .26 kg
- Tare weight: .03 kg
- Net weight: .23 kg
- Product length: 22.5 cm
- Product dimensions (W x H): 145 x 45 mm

## Product highlights

### Color-coded connectors
*Color coded connections make it easy to install your cable into the correct inputs and outputs*

### Molded plug
*Molded plugs ensure secure connections between components and offer extended durability.*

### Flexible PVC Jacket
*Flexible PVC jacket provided protection to the delicate core of the cable. It also offers extended durability and ease of installation.*

### Nickel-Plated Connectors
*Nickel-plated connectors establish a clean contact between the cable and connector for a reliable connection.*

### Quality construction
*Quality construction uses only top grade materials to create products of extended durability.*

### Rubber strain relief
*Rubber strain relief provides a secure, yet flexible juncture between the cable and the plug.*

### Bare copper shielding
*Bare copper shielding protects against signal loss.*

### Easy grip
*This non-slip grip makes connecting your components easy and ergonomically comfortable.*

### Plug and play
*Plug and play offers easy installation of components without time-consuming installations.*
